BUILDING SAFETY CERTIFICATE

It is certified that the civil construction works of existing Building of Rishikul Public. Sr.Sec. School Narwana Road, Jind, Haryana.
Run by: - Rishikul Education Society Ahirka, Distt. Jind, Haryana.
Site has been personally inspected by me on dated 17.09.2026. The structure work of the school building is safe & sound. The good quality material and technical workmanship was used for the construction of the school. It is also certified that building is fit for habitation purpose.

Following books & IS codes were referred:
1. IS: 456:2000
2. IS: 875(Part 3) 1987
3. Civil engineers Handbook

All structural members like foundations columns and beams are designed as per SI building code and considering all appropriate for all type load combination.
Currently there is no sign of damage/crack in the school building that can harm the structure of the school.

Conclusion:
In view of above information collected during our site inspection I am of the opinion that the structure is stable & safe for occupancy as school building.
